

E-LEARNING COURSE Construction Law

This course has been designed to teach and familiarize owners, managers, supervisors, and project managers with construction contracts and contract law.

This course includes information on liabilities and responsibilities of all parties to a contract, compiling and submitting proper extras and claims, and ways and means for leaders to avoid conflict with contracts, owners, traders, and labour.

Students who successfully complete this course, by obtaining a final mark of 75%, will be able to receive two (2) credit towards Gold Seal Certification.

Successful completion of this course will enable the student to:

- Understand and write construction contracts
- Recognize the different roles in construction
- Understand the claims process
- Identify simple errors in construction contracts
- Learn to solve construction disputes effectively

This course is self-paced and is approximately 6 hours in length.
