

## E-LEARNING COURSE

### Construction Project Management

This course has been designed to help managers administer projects from start to finish in a timely manner.

This course provides the student with the tools to help:

- Develop Business Cases
- Develop Scope of Projects
- Manage Project Procurement
- Manage Project Risk
- Manage Change Process

Students who successfully completes this course, by obtaining a final mark of 75%, will be able to receive three (3) credit towards Gold Seal Certification.

Successful completion of this course will enable the student to:

- Adapt to changes in their own business and within the industry
- Make informed decisions with regards to risk
- Educate employees on handling change

This course is self-paced and is approximately 6 hours in length.
