

Exclusive Member Discounts

Dear Member,

We are committed to ensuring that you get the most value from your Hamilton-Halton Construction Association membership. Through our alliance with ConstructConnect™, we are excited to offer these exclusive discounts to our members:

Daily Commercial News

by ConstructConnect™

Daily Commercial News (DCN), Ontario's only daily construction newspaper, has been the authoritative voice of the industry for 85 years. DCN delivers comprehensive coverage of construction news, project leads and tender information in print and digital formats to construction owners, architects, engineers, contractors and suppliers.

constructconnect insight

Insight delivers timely, accurate project leads, so subscribers can track projects from concept to completion in their preferred format: email, fax, or online with plans & specs. With a team of 25 full-time researchers, ConstructConnect™ maintains a database of 45,000+ active projects by soliciting project leads from 35,000+ construction professionals.

20% OFF – Insight

CanaData

by ConstructConnect™

CanaData's team of trusted economists provides rich insights and analysis of construction industry trends in Canada through monthly construction starts reports, construction cost indices (labour & material), and construction industry forecasts. Once a year, Canada's top economists gather in Toronto to summarize the year and forecast the next year.

30% OFF – CanaData Products
30% OFF – CanaData Annual Conference

Some conditions apply. Contact ConstructConnect™ at salescanada@cmdgroup.com to take advantage of these great discounts today! Don't forget to mention your Hamilton-Halton Construction Association membership.

Best regards,

Sue Ramsay
General Manager

In Alliance with:

Insight

Technology to take your company to the winner's circle.

Intelligent Leads

Get 24/7 access to a database of hundreds of thousands of projects, as well as contacts, key players and email addresses.

Forecast

Improve planning with a detailed view of historical data, projections and five-year forecast based on actual project information.

Analyze

Get a 360 degree view of the market, based on searchable specs, plans and addenda.

Insight is a game-changing new way to give your company a competitive advantage. Combining the power of Intelligent Leads, Analyze and Forecast under a single platform, you'll have everything you need to take your company to all-new levels of success.

Insight's uniquely visual design and ultimate user convenience gives you an inside view of opportunities from day one. Single login convenience gives you unparalleled access to project opportunities across Canada and the United States, analytics, forecasts and much more. Intuitively convenient design delivers relevant results in your preferred format, so you can see at a glance what's important. A configurable dashboard lets you customize the system in a way that makes the most sense for your operations.

Gain the advantage of technology never before possible and start winning today with Insight.

Why choose ConstructConnect?

ConstructConnect is the only data provider with the strongest Canadian coverage and national U.S. coverage available. ConstructConnect brings participants together throughout North America with the most complete, accurate and actionable construction data in the markets where they work.

We fully digitize all documents, including plans and specifications, giving you access to product needs much earlier in the project cycle. From our dedicated source specialists for the latest extraction technologies, ConstructConnect uses all possible resources to give you the most accurate, dependable project information available.
