

## **Construction Labourer**

Protec Contractors is seeking installers of Epoxy Coatings and Urethane Coating flooring Systems. Protec Contractors specializes in the installation of polymer flooring systems in commercial and industrial settings around the Greater Golden Horseshoe and GTA. Experience is a bonus, however, successful candidates need only have a strong work ethic and willingness to learn and grow with our company.

Apply if you have or wish to obtain:

- Experience with epoxy, resins and polyurethane floor topping
- Experience in resin Coving, Broadcast systems, Roller coating and self-smoothing coatings
- Efficient in the area of QA reporting and have a strong understanding of product data sheets
- Strong work ethic with a focus on delivering work to a high standard and to a plan
- Time management skills with the ability to work within a team or on your own

This is a full-time position with opportunities for overtime work. Weekend work is to be expected along with long days and the occasion for evening work.

Protec offers unlimited learning opportunities and growth for your career.

Protec is Growing FAST! We want YOU to be part of our team!
