

Carpenter Apprentice

Job Description

Who we are looking for:

A candidate that must be both professional and personable, committed to the overall objective and looking to develop a career within the company.

Qualities, skills and background you bring:

This is an entry level position,

- 2 years of experience in the local residential construction/development industry, preferred.
- Insure company and customer satisfaction through professional appearance, expert workmanship and polite communication.
- Excellent time management skills.
- Work well under the pressure of tight deadlines.
- Be highly organized with an ability to focus on attention to detail.
- Ability to read blueprints, schematics, field drawings and plans.
- A solid understanding of all construction trades and construction techniques.
- Effectiveness in the areas of construction safety and productivity.
- Knowledge of Health & Safety regulations and related Building Codes.
- Able to effectively communicate, both verbally and in written form and with all types of staff, including laborers, technical, professional, and upper management

What we can offer you:

- Full-time Position (44 hrs/week)
- Generous Benefits package after 3 months employment including Health, Dental, Vision and more
- Positive work environment with opportunities for advancement, where your professional growth is supported.
- Registered Carpentry apprenticeships offered to suitable candidates.

Interested applicants should email HR@reimar.ca with a resume.
